

OMNIAIR EUROPEAN PLUGFEST

FROM
**SEPTEMBER 30
2019**

UNTIL
**OCTOBER 4
2019**

LOCATION
**MÁLAGA
SPAIN**

HOSTED BY

OmniAir Consortium®, the leading industry association promoting interoperability and certification for ITS, Tolling, and Connected Vehicles, will be working with test equipment vendors and test laboratories to provide comprehensive conformance and interoperability testing of V2X devices at the upcoming European Plugfest, hosted by DEKRA at their world-class test facility in Málaga, Spain, featuring an impressive connected car test area.

OmniAir® is offering wide-ranging conformance, interoperability, and security testing against OmniAir test cases for both OBUs and RSUs, as well as field performance testing. Leading test equipment providers Keysight Technologies, Rohde & Schwarz, and Spirent will offer comprehensive testing for C-V2X PC5 devices.
